Dated: 10.06.09

Sub: New application software developed for monitoring budget related information – posting of item-wise distribution of LOC and the expenditure on the web-site by the Kendras/DMCs/HPTs etc.

DG: DD has developed a ‘System of application’ for monitoring the progress of budget allocation and the expenditure incurred by the Kendras/Stations. The user id and password for operating the system have been separately sent vide our letter of even No. dated 10/6/2009.

In this connection, DG,DD has instructed that all the Kendras/DMCs/HPTs etc. should post head-wise distribution of the LOC received by them from Prasar Bharati on the web-site, as soon as it is received by them. The expenditure, incurred there against should also be posted on the website, latest by the 5<sup>th</sup> of the following month. Kendras/DMCs/HPTs etc have so far received LOC for ‘Salary’ only for the month of March, 2009, and total LOC for April and May 2009. The sub-head wise break up of these LOCs and the actual expenditure there against, month wise, may be duly posted on the web site by 12<sup>th</sup> of June 2009, so that the same could be scrutinized by the Internal Finance Wing.

Kendras/DMCs/HPTs/LPTs etc. who do not have the internet facility may contact their nearest Kendras, where the facility is available, for making use of the new software application and for inputting their data. Kendras, where the facility is available, should allow their counterparts who do not have the internet facility to avail of the facility and should not deny it to them. In future all communications relating to Budget matters will be displayed on the website and the Kendras/stations should frequently open the website and peruse the same.

Any clarifications relating to the problems they come across in operating the system may be sought from the personnel manning the NIC Unit of this office. Their Tel. No. and the E-mail ids are indicated below :
